Ref. No. 10645/31.A2.

Station Madras, *Dated the* 18th February 1932.

From (Name) R.D. Richmond Esq., I.F.S.,
(Designation) Chief Conservator of Forests.

To The Secretary to the Government of Madras,
Development Department.

Sir,

The road from Bellaji to Mavathur (Udhatti) in the Kollegal Division was originally a bridle path admitted as a right of way in B.P.F.No. 484, dated 23-11-1891 constituting the Doddasampagai block a Reserved Forest under the Forest Act. In September 1920, the Collector of Coimbatore granted permission to the Billigirirangan Planters' Committee at Chamarajnagar to widen the bridle path and the work was executed by the Committee at a cost of from Rs 5000 to Rs 6000 during the years 1924 - 1926. Since then, the road has been repaired annually, at a cost of Rs 400 to Rs 500, and has been maintained in good order.

2. In 1929, the Committee expressed a desire to transfer the maintenance of the road to the Forest Department, after widening certain hair pin bends and removing certain rocks which had been left in the road. The Conservator, Fifth Circle, was not in favour of taking up the road in an incomple condition, but subsequently decided to provide, annually, a contribution of Rs 150 to the Committee towards its maintenance commencing from the year 1931-32, leaving the question of its transfer for consideration until after the completion of the working plan for the Kollegal Division. The necessary provisi has been made in the budget for 1931-32. The road in questio is used by the Forest Department for camping purposes, as it is the only way of approach to Bellaji and is of great help to inspecting officers. The Planters' Committee guarantees to maintain the road in good condition as long as the Forest Department contributes annually a sum of Rs 150, and has, in the current year, spent a sum of Rs 600 to Rs 700 on its repairs in the expectation of the promised contribution. This contribution is desirable and reasonable in view of the utility and importance of the road to the Forest Department.

3. In these circumstances, it is requested that (be pleased to sanction the payment to the Billigirirangan Planters' Committee, of an annual contribution of Rs 150, with effect from 1931-32, subject to the condition that the road is maintained in good order by the Committee and is so certified by the District Forest Officer, Kollegal, at the beginning of March each year.

It is requested that orders may be passed early to enable the payment of the contribution for 1931-32 to be made before the expiry of the financial year.
